I have read and understood the details of the site and accept that a specific site cannot be guaranteed

I also understand that the relevant site conduct rules and regulations must be relayed to all members of the party, including anyone not staying such as parents transporting young people or equipment to the site, and thus adhered too.

I understand that all the Service Crew and Wardens are volunteers and we do not have a resident warden on site. Contact numbers will be given on arrival and displayed in the wardens hut window.

Confirmation of booking will be sent via email.

Each Group must have their own Risk Assessment/Programme for their camp available to be viewed by Warden if required.

All details can be found on our website including charges, conduct and rules. NB we do expect the groups on site to take it in turns during their stay to be responsible for cleaning the toilets and showers.

Deposit – will be refunded off the final invoice which be sent to you by email at the end of your camp subject to a site inspection from one of the wardens. Any damage caused during your stay by your group, will be subject to loss of deposit. Final payment should be made either by cheque or BACS as above.
